

Decision Scheme KRAV Certification of Imported and Brought-in Products

Organic Animal products from EU, EEA, USA, Canada, Australia, New Zealand, Japan.

Certified/evaluated against a standard or system for supplier evaluation recognized by KRAV?

This scheme only covers products certified according to EU regulation (834/2007) and according to USDA-NOP.

Other documentation, that also might be needed in particular cases, not included in the scheme:

Certificate of Inspection: If you are the "first importer" within the EU-common market.
